GRAND HOTEL  
KRISTIANIA

29/1 918

My dear Kathleen, Your letter of  
Dec. 16<sup>th</sup> was sent to me from Galtsjø  
badet here where we arrived from  
Copenhagen a few days ago. It seemed  
to me like a ray of sunshine in this  
dark and damp Christiania when  
I read your charming missive.  
You cannot imagine what troubles  
we had to get the permission for  
entering the United States. You must  
get it by special order from  
Washington. After 3 weeks we got  
it yesterday but it is uncertain if  
the boat "Bergensfjord" will start and  
what date, but still I have the permission.

Scandinavian and charming countries  
and they were so kind to me, poor  
fugitive; I did all what I had to  
do, but there is no future for me, as for  
Europe; in the next 2-3 years will nothing  
be to work for me. - Thank You ever  
so much for Your indication regard-  
ing America; I did not dream  
six months ago that I should be  
obliged to sail so far away. - I had  
a cable from Haensel & Jones with  
an offer of 40 lessons weekly in a  
first rank Institution; I suppose  
it must be from Danvers. - I have  
not as yet answered. In any rate

I could accept only the half. -  
I have made a big success at the  
Philharmonic at New York. The cable  
says I recall, sold out Hall; one more  
concurrent for Toots.

I do hope Your health is now duly  
established. - And where and when  
shall I see You again. - That is a  
serious question for my age!

Of course I shall be delighted  
to make the acquaintance of Mrs.  
and Mr. Sprague.

And now, Adieu, I hope. -  
Best wishes for You and all others.  
L. Arns

Wm. Steen sends her best love.

My advice is you shall at Mr. Parker's Bureau  
or Handel & Jones.
